8) Circular No. DHS/PS/38/2018-19 dated 23/06/2018

Background

1 The Karnataka Integrated Public Health Policy 2017 read at (1) above envisages attainment of the highest possible level of good health and well-being of all people in the State through a preventive, promotive, curative and rehabilitative healthcare orientation, with universal access to affordable and quality healthcare services to all, and inclusion of health in all developmental policies. The Policy also envisages that all the fragmented social insurance schemes be merged into a single health assurance plan to improve efficiency and outreach. The policy expects the State Government to develop robust and sustainable financing mechanisms by strengthening the public sector and harnessing private services (not-for-profit), to ensure that public services of the highest quality are maintained, keeping the public health interest in mind, whenever needed.

2. The Karnataka Vision 2025 Document read at (2) above envisions achieving Universal Healthcare through an equitable, accessible, affordable, qualitative and well governed health system for the people of Karnataka. The document aims to achieve this vision by strengthening and reforming public healthcare system to enhance its credibility, efficiency and effectiveness, establishing objective, transparent and unobtrusive regulations and regulatory mechanism for the private hospitals, and using technology for sector management from a service delivery perspective.

[signature] 15/11/18

3. The National Health Policy read at (3) above envisages universal access to quality healthcare services without anyone having to face financial hardship as a consequence. The policy further envisages the following.

(i) Assuring availability of free comprehensive primary healthcare services for all aspects of reproductive, maternal, child and adolescent health and for the treatment of the most prevalent communicable, non-communicable and occupational diseases in the population.

(ii) Ensuring improved access and affordability, of quality secondary and tertiary healthcare services through a combination of public hospitals and well measured strategic purchasing of services in healthcare deficit areas, from private care providers, especially the not-for profit providers.

(iii) Achieving a significant reduction in out of pocket expenditure of healthcare costs thereby reducing the proportion of households experiencing catastrophic health expenditures and consequent impoverishment.

4. In order to achieve the goal of Universal, Equitable and Sustainable healthcare as envisaged in the Vision document "Arogya Karnataka" a Universal Health care Scheme was launched on 2/3/2018, wherein cashless treatments upto Rs. 2.00 lakh for specified treatments are provided based on eligibility criteria.

5. Similarly, in order to provide financial protection to poor and vulnerable families against catastrophic health expenditure and to reduce out of pocket expenditure for accessing health services due to hospitalization, Government of India has decided to roll out the Ayushman Bharat Scheme to provide holistic health care to all citizens including preventive health promotion as well as primary, secondary and tertiary care.

With this vision, the AB-PMJAY aims to help achieve the Sustainable Development Goals (SDG3) of providing Universal Health care (UHC). It will provide for cashless hospitalization services of upto Rs. Five lakh per family per year to over ten crore poor and vulnerable families (approximately 50 crore) beneficiaries.

6. Since both the schemes have the common goal, scope and similar modalities for providing specified treatments to the poor and vulnerable sections of society, integrating both the schemes and having a single scheme is inevitable. Implementation of both the schemes in a standalone mode will not be a workable

15/11/18

model due to the fact that it would be a difficult task to distinguish the beneficiaries of two schemes at the field level..

PREAMBLE :

7. The Universal Health Coverage (UHC) scheme, "Arogya Karnataka" as it is known was launched on 2.3.2018, with the goal of providing Universal Health Coverage, to all residents of the State, by way of providing 1530 specified healthcare treatments vide G.Os at Ref (1) and (3) above. Eligibility is based on Aadhaar card and the entitlement is based on the definition of the National Food Security Act 2013. For the "eligible patient" treatment is to be free or with a nominal user fee; with an assistance of Rs.30,000/- for Complex secondary care and up to Rs. 1.5 lakh per family, per year with an additional Rs. 0.5 lakh, per family in case of emergency, for Tertiary and Emergency care. For general patients, the Government will bear 30% of the cost of package rates.

8. Government of India has come out with a centrally sponsored scheme (CSS) called Ayushman Bharat - National Health Protection Mission, on 21.3.2018, later renamed as Pradhan Mantri Jan Arogya Yojana (PMJAY), to provide health protection to over 10 Crore poor families identified based on the latest Socio-Economic Caste Census (SECC) data/RSBY thus covering about 50 crore beneficiaries in the country. The Operational guidelines are at Ref (2) above. The financial cover provided under the scheme is Rs.5.00 lakh per annum per family.

9. The centrally sponsored Rashtriya Swasthya Bhima Yojane that was implemented in an insurance mode and was servicing about 62 lakh families who come under the 8 deprivation criteria has come to a close on 31/8/2018. It is this category of population, including those who are in the SECC data, that will now be the beneficiaries under the Ayushman Bharat-PMJAY scheme.

10. Since the State already has a Universal Health Coverage scheme "Arogya Karnataka" and Ayushman Bharat is a similar scheme of the Government of India albeit with a smaller coverage but higher financial assistance, it has been felt advisable to integrate both the schemes "Ayushman Bharat" and "Arogya Karnataka", to achieve operational-efficiency.

15/11/18

11. The integrated scheme shall be called "Ayushman Bharat-Arogya Karnataka" and shall have common coverage, scope and implementation modalities under co-branding arrangements.

12. In the light of this integrated scheme necessary modifications and addendums of the Government Orders referred at (1) and (3) above are necessary. The amendments made in this G.O are to be read in conjunction with the Government Orders cited. Hence the following order.

Government Order No. HFW 69 CGE 2018
Bangalore, Dated 15.11.2018

Scope

1. Administrative approval is hereby accorded for providing Universal Health Coverage to all the residents of Karnataka by integrating the existing health scheme of the Government of Karnataka, "Arogya Karnataka" and Government of India health scheme "Ayushman Bharat".

2. The integrated scheme shall be called "Ayushman Bharat - Arogya Karnataka" and shall be implemented in an "Assurance Mode". The same name shall be used in all scheme documents, IEC material and communication with stakeholders and shall be referred to as an integrated health scheme of both Government of Karnataka and Government of India.

3. The integrated health scheme shall operate a revised list of procedures numbering 1628, that has been arrived at by combining and rationalizing the 1530 procedures in ArK and 1349 procedures in Ayushman Bharat by way of Primary health care, simple secondary health care, complex secondary health care, tertiary health care and emergency health care as specified in Annexures-1, 2A, 2B, 3 and 4 respectively attached to this order.

4. Universal health coverage as assured in this new scheme shall exclude the following categories of residents as they can avail healthcare through other schemes.

   a. Residents covered under Employees' State Insurance Scheme;

   b. Residents covered under health assurance or health insurance schemes of their employers;

c. Residents who have taken private health insurance policies on their own;

d. Residents covered under Central Government Health Scheme of the Government of India;

e. Employees of Government of Karnataka till the amendment of the Karnataka Government Servants' (Medical Attendance) Rules;

f. Members of Karnataka Legislature till the amendment of the Karnataka Legislature (Members Medical Attendance) Rules 1968.

Enrollment of patients

5. There shall be a one-time enrollment of patients, on an IT portal to be established by Suvarna Arogya Suraksha Trust (referred as SAST hereafter), as and when they approach any PHI for treatment for the first time or any other enrollment facility as designated from time to time. A patient approaching an empanelled private hospital in case of emergency (as per Annexure 4) without a referral from a PHI can be enrolled at a designated enrollment centre or a PHI after stabilization and discharge from hospital. Till such time for that single incident he can get treatment under the scheme by producing his Aadhar card and PDS card.

6. Under the Ayushman Bharat- Arogya Karnataka scheme the enrolment card shall be called AB-ArK Card and the unique ID generated while enrollment shall be called AB-ArK ID.

7. On successful enrollment based on Aadhaar authentication, a unique identity number "AB-ArK ID" shall be generated and a health card called "AB-ArK Card" shall be provided to the patient at the enrolment center on payment of a fee of Rs.10/- (Ten) only".

8. Arogya Karnataka Card shall be henceforth called as AB-ArK Card and shall be understood as AB-ArK Card, wherever mentioned in the referenced GOs and Circulars issued related to the "Arogya Karnataka" Scheme. Enrollment cards that have already been issued under the "Arogya Karnataka" scheme shall remain valid for the integrated "Ayushman Bharat- Arogya Karnataka" scheme

9. In case of loss of the health card, a duplicate card can be obtained at any PHI or at enrollment centers on payment Rs 20 (twenty) only on production of Aadhaar

or PDS card and on Aadhaar authentication.

10. For a patient not having Aadhaar, enrollment for Ayushman Bharat-Arogya Karnataka scheme can be done based on the PDS card. Such person shall be provided treatment in the PHIs, but will need to get enrolled for Aadhaar before getting any referral to a private hospital.

11. It shall be the responsibility of the PHIs to set up the required number of enrollment counters and outpatient registration counters in their respective hospitals. The competent authority may designate places such as Common service centres, B1 and K1 centres, or any other place convenient to the public for obtaining a health card. If felt necessary, the competent authority may put in place any system/procedure of issuing health cards to the public expeditiously. However the cost of the health card in these centres other than PHIs will be fixed by the competent authority.

12. The patients availing healthcare services under the integrated scheme shall be categorized as detailed below:

i. Eligible Patient: A patient who is a resident of Karnataka State and belongs to "Eligible Household" as defined under the National Food Security Act, 2013; This category shall also include the beneficiaries listed in the SECC data and the enrolled members of the hitherto existing Rashtriya Swasthya Bhima Yojane.

ii. General Patient: A patient who is a resident of Karnataka State but does not come under the definition of "Eligible Household" as defined under the National Food Security Act, 2013, or does not produce the eligible household card.

13. The basic features of the enrollment process are detailed in Annexure-5.

14. Pregnant women and children requiring reproductive and child health services, persons requiring preventive healthcare for non-communicable diseases, and persons requiring curative health care for communicable diseases shall also be enrolled through Health & Wellness Centers in similar manner as detailed at Para 7 to 13 above and in Annexure-5.

25/11/18

Cost of treatment to be borne by the Government

15. Financial assistance up to Rs.5.00 lakh will be provided for specified simple secondary care, complex secondary health care, tertiary health care and emergency health care listed in Annexures-2A, 2B, 3 & 4 to this G.O, per annum, for a family that comes under the definition of "Eligible Patients" as defined at Para-12 above. This will be on family floater basis meaning one or more persons of the family can use the full cover of Rs. 5.00 lakhs. One person can also use the entire Rs.5.00 lakh.

16. The benefit limit for "General Patient" as defined in Para 12 (ii) above shall be 30% of Government package rates, with overall annual limit of Rs.1.50 lakh per family, per year on co-payment basis.

Eligible Patient

17. The complex secondary health care treatments, tertiary health care treatments, and emergency healthcare treatments, as specified in Annexures-2B, 3 and 4 respectively, given to eligible patients in the PHIs shall be free subject to limits mentioned at para-17 above. The State Government shall reimburse the cost to the concerned PHI as per the limit of the package rates fixed and detailed in para-60 of this order.

18. The complex secondary health care or tertiary health care treatments given to an eligible patient by an empanelled private hospital on a referral from a PHI and emergency health care treatment as listed in Annexure-4 given without referral from a PHI shall be free for the eligible patient. The cost of treatment up to the package rate shall be reimbursed to the concerned empanelled hospital that provides the treatment, subject to the prescribed annual limit as in Paras-15 and 16 above. The empanelled hospital cannot charge more than the approved package rate. In case the family limit is exhausted, the excess amount for the treatment shall be borne by the patient.

19. All the members of 62 lakh beneficiary families enrolled under the Rashtriya Swasthya Bhima Yojane Scheme shall also be "Eligible beneficiaries" of the integrated scheme "Ayushman Bharat-Arogya Karnataka" (AB-ArK) and the expenditure incurred on this set shall be maintained separately.

15/11/18

General Patient

20. Complex secondary health care treatments, Tertiary healthcare treatments and Emergency care treatments, to a general patient shall be on co-payment basis in a PHI and in an empanelled private hospital, subject to being referred from a PHI for treatments listed in Annexures-2B, and 3. For emergency procedures listed in Annexure-4, a referral will not be required. This treatment shall also be on a co-payment basis.

21. The concerned PHI or the empanelled private hospital can charge such patient its publicly-disclosed rates. The reimbursement under the scheme shall be limited to 30 percent of the package rate for that treatment prescribed by the Government or 30% of the actual amount charged for the treatment, whichever is lower. The balance 70 percent should be collected from the patient.

Patient without referral

22. In case of a patient, irrespective of his category being eligible or general, getting treatment in an empanelled private hospital without a prior referral from a PHI, except in an emergency, for the treatments listed in Annexure-4, reimbursement shall not be made for such treatment. Such patient shall bear the entire cost of the treatment by himself.

User Charges

23. For the primary healthcare treatments specified in Annexure-1, the concerned PHI may charge their normal user charges. There shall not be any reimbursement to the PHIs or to the patients from the Government for such treatments.

24. In the Integrated scheme user charges shall not be collected by PHIs for the updated list of 1614 procedures in Annexures- 2A, 2B, 3 & 4 annexed to this Government Order, as reimbursement will be made on claims as per the limit of package rates fixed by the Government.

25. The PHIs can collect their normal user charges for such treatment that are not included in the list of 1614 procedures.

26. For the treatments and diagnostics not covered under the scheme, the PHIs may charge their normal user charges.

25/11/10

Referral system

27. A patient requiring a complex secondary healthcare treatment, as listed in Annexure-2B, or a tertiary healthcare treatment as listed in Annexure-3, shall consult the medical doctor in the nearest taluka or district level PHI first. Based on the outcome of the consultation and evaluation by the medical doctor and the existing medical capability of the concerned PHI, the treatment may be provided in the same PHI or a referral may be provided to a higher-level PHI within the same or neighbouring district. The patient with a referral in any of the districts in the State may also seek treatment in centres of excellence or any higher level PHI in the State capital if he so desires.

28 In case of non-availability of the required diagnostic facilities in the PHIs to decide the nature of treatment, a referral may be provided to empanelled diagnostic laboratories for investigations.

29. In case the required complex secondary healthcare treatment or tertiary healthcare treatment is not available in the PHIs, a referral shall be provided for availing the treatment in any of the empanelled private hospitals.

30. The referral protocol as prescribed in the circular at Ref. (4) and (5) above for complex secondary healthcare treatments and tertiary healthcare treatments specified in Annexures-2B and 3 respectively shall prevail with respect to the integrated scheme.

31. In case a higher-level PHI in the same district has the medical capability for the required specified complex secondary healthcare treatment or tertiary healthcare treatment of a patient, referral shall be provided for such higher-level PHI only. Only in case of an emergency (as specified in Annexure-4) referral can be made by the referring PHI to any of the empanelled private hospitals.

32. The referring PHI shall not refer a patient to any particular empanelled hospital by name. The referral shall be open for all empanelled private hospitals having the capability and "Ayushman Bharat-Arogya Karnataka" readiness on the day. The patient on being referred shall have the liberty to select any of the empanelled hospitals of his choice. The patient should carry the AB-ArK Card for acceptance in

7/11/18

the hospital for the treatment. In districts and talukas where the AB-ArK card enrollment has not yet commenced treatment shall be made available on the basis of Adhaar card and PDS card, till such time as the AB-ArK card facility is put in place by the competent authority.

Patient Acquisition

33. A patient needs to be enrolled at a PHI or any other centre designated by the competent authority only once. For any follow up visit or any subsequent visit for another ailment to the same or any other PHI, the patient should carry the AB-ArK Card for the out-patient (OPD) registration based on Aadhaar authentication.

34. In case of AB- ArK card being produced for subsequent visits, there shall not be any requirement of producing Aadhaar card. The OPD registration slip shall be generated based on the Aadhaar authentication facilitated by the IT system based on AB-ArK ID.

35. In the instance of the Ayushman Bharat- Arogya Karnataka card (Ab-ArK) not being produced during subsequent visits, OPD registration can be done by fetching the AB-ArK ID from the IT system based on Aadhaar card or PDS Card and Aadhaar authentication.

36. Once a patient gets referred from a PHI for treatment to an empanelled private hospital, any of such hospitals can accept the patient on successful Aadhaar authentication for providing the treatment. SAST shall provide the required software for the Aadhaar authentication and patient acquisition at the hospital level. Once a hospital accepts the patient, it shall not be open for another hospital to record the patient acquisition.

Implementation agencies

37. Commissioner, Health & Family Welfare and Director Medical Education shall be responsible for implementation and management of the scheme in ~~the~~ PHIs administered by them.

Primary Healthcare Services

38. All primary healthcare services, specified in Annexure-1, shall be provided only

in the PHIs. Efforts shall be made to provide these services from PHIs most easily accessible to the residents. The outreach of those services shall be strengthened by visits of para-medical staff and ASHA workers to the homes of the residents, especially in respect of RCH services.

Secondary Healthcare Services

39. All simple secondary healthcare treatments specified in Annexure-2A shall be provided only in the PHIs. PHIs shall not refer patients to Private Empanelled hospitals for these treatments.

40. All complex secondary healthcare treatments, specified in Annexure-2B shall also be provided in the PHIs subject to medical capability in the PHIs located within the taluka or district of the patient.

41. In case of the PHIs within the district that do not have the medical capability for the required complex secondary healthcare treatment, listed in Annexure-2B, the patient shall be referred for availing treatment from any of the empanelled private hospitals.

Tertiary Healthcare Services

42. Tertiary healthcare services, as specified in Annexure-3, shall be provided in the PHIs subject to medical capability for the required treatment in the PHIs located within the district of the patient.

43. In case PHIs within the same or neighbouring district do not have the medical capability for the required tertiary healthcare treatment listed in Annexure-3, the patient shall be referred for treatment to any of the empanelled private hospitals. The patient shall be free to approach any Government centre of excellence or higher PHI in the State capital of his choice either with or without a referral for such treatments from any part of the State.

Mapping of Implementation agencies

44. The mapping of the PHIs for providing primary healthcare services, secondary healthcare treatments, complex secondary healthcare treatments, tertiary healthcare treatments and emergency healthcare treatments shall be prepared by the

18/11/08

Commissioner, Health & Family Welfare for the PHIs administered by Health & Family Welfare Department and with Director, Medical Education for the PHIs administered by Medical Education Department. The "Ayushman Bharat-Arogya Karnataka Readiness" of those PHIs shall be placed in the public domain and updated monthly.

45. Similarly, the mapping of the empanelled private hospitals for providing complex secondary healthcare treatments, tertiary healthcare treatments and emergency healthcare treatments shall be prepared by SAST. The "Ayushman Bharat-Arogya Karnataka Readiness" of those hospitals shall be placed in the public domain and updated monthly.

Empanelment of Implementation agencies

46. All PHIs shall be deemed empanelled under the scheme. However, their "Ayushman Bharat-Arogya Karnataka Readiness" shall be assessed as per the norms to be formulated. Their readiness for the specified treatments shall be placed in the public domain. The PHIs shall empanel themselves in the SAST web portal. There shall be no empanelment fee for the PHIs getting empanelled in the SAST portal.

47. All private hospitals in the State that meet the prescribed norms, as specified in Annexure-6, shall be eligible for getting empanelled with SAST for providing complex secondary healthcare treatments, tertiary healthcare treatments and emergency healthcare treatments.

48. The hospitals empanelled with SAST or Yeshasvini Trust or with RSBY insurance companies, and the Arogya Karnataka scheme shall be given an option to get empanelled in the integrated Ayushman Bharat- Arogya Karnataka scheme, subject to meeting the norms prescribed in Annexure-6.

49 The empanelment of private hospitals in the neighbouring states can also be considered in case of inadequate capacity being available in the PHIs and the empanelled hospitals in the border districts.

50. The hospitals empanelled in the neighbouring states for convenience of the patients from the border districts shall provide the treatments under 2B, and 3 only

15/11/18

on referral from the PHIs situated within the State of Karnataka. In case of emergency procedures listed in Annexure-4, a referral will not be necessary. Treatment can be done by obtaining an emergency Preauthorization from SAST based on the eligibility criteria. The hospitals shall ensure that the patient shall be acquired based on the production of AB-Ark ID card or PDS card and Adhaar card till such time as the enrollment facility and distribution of the AB-Ark ID card is rolled out.

51. Empanelment of all private hospitals in the State shall meet the prescribed norms as specified in the amended Annexure to this G.O - Annexure -6.

Package Rates

52. The cost of the specified simple secondary health care treatment, complex secondary health care treatments, tertiary health care treatments and emergency health care treatments shall be based on the package rates, prescribed in Annexure - 7A, 7B, 8 & 9 annexed to this G.O.

53. Hospitals with entry level NABH accreditation will be given 2% incentive on the package rates and hospitals with full NABH accreditation will be given 5% incentive of the package rates subject to procedure and costing guidelines.

54. Capability gaps in PHIs for simple secondary treatments should be filled on priority. Thereafter, the gaps for complex secondary and tertiary treatments should be addressed, so that most of the packages offered in the scheme are available in Govt. Hospitals itself.

55. The package rates for the empanelled private hospitals shall be fixed and revised periodically as per provisions of the Karnataka Private Medical Establishment Act (KPME Act) based on the recommendations of the Expert Committee. The norms for determining the package rates shall be prescribed by the Government through a separate order.

56. The package rates for the list of treatments in Annexures - 2A, 2B, 3& 4 of the integrated scheme is detailed in Annexures- 7A, 7B, 8 & 9 of this order.

57. For settlement of the pending claims of the Yeshasvini and RSBY scheme that

came to a close on 30.5.2018 and 31.08.2018 respectively, the package rates already fixed for those schemes shall be applicable for settling pending claims.

58. For complex secondary healthcare treatments, tertiary healthcare treatments and emergency healthcare treatments in the integrated Ayushman Bharat- Arogya Karnataka scheme specified in Annexures-2B, 3 and 4 respectively that have been referred to Private empanelled hospitals by PHIs and duly authorized, the reimbursement to empanelled private hospitals shall be 100% of the package rates as noted in Annexure -7A, 7B, 8 & 9 annexed to this GO

59. For purpose of reimbursing the PHIs, if they have treated patients for complex secondary healthcare treatments, tertiary healthcare treatments and emergency healthcare treatments specified in Annexures - 2A, 2B, 3 and 4 of this GO under the integrated Ayushman Bharat- Arogya Karnataka scheme, their cost over and above the normal block grants provided to them shall be reimbursed by SAST as below: ;

(i) In case of PHIs including Government Medical Colleges, 50% of the package rate shall be reimbursed for simple secondary care procedures as listed in Annexure 7A

(ii) 100% of the package rates shall be reimbursed to PHIs for all cardiology speciality cases, of all complex secondary care, tertiary care procedures and emergency procedures listed in the relevant Annexures.

(iii) For all other specialities, complex secondary care and tertiary care procedures and emergency procedures listed in Annexures - 7B, 8 & 9; 75% of the package rate shall be reimbursed to the PHIs including Government Medical Colleges.

(iv) These rates shall apply irrespective of the method adopted by the hospitals for the treatment procedures for eg., if a treatment is done using Robotic surgery, laser surgery or laproscopy etc.

(v) There shall be no reimbursement to the PHIs for primary healthcare treatments conducted by them as specified in Annexure-1 and procedures not mentioned in Annexures.

Payment to implementation agencies

60. An empanelled private hospital providing a complex secondary healthcare or tertiary healthcare treatment, specified in Annexures- 2B and 3, after the referral and pre-authorization, to an eligible patient shall be paid the package rate as per

15/11/18

Annexures- 7A, 7B and 8 or actual bill amount, whichever is lower, by the SAST. In case of treatment to a general patient, the payment to the empanelled private hospital shall be limited to 30 percent of the package rate or 30% of actual bill whichever is lower up to Rs. 1.5 lakh per family per annum.

61. An empanelled private hospital providing emergency healthcare treatments, specified in Annexure-4 to an eligible patient shall be paid the package rate as per Annexure-9 or actual bill amount, whichever is lower, by the SAST. In case of the treatment to a general patient, the payment to the empanelled private hospital shall be limited to 30 percent of the package rate capped at Rs. 1.5 lakh per family per annum. The reimbursement for emergency healthcare treatment shall be subject to confirmation of the need and emergency on post-treatment basis.

62. A PHI providing a specified complex secondary healthcare or tertiary healthcare treatment or emergency healthcare treatment to an eligible patient shall be paid the package rate as prescribed for the PHIs in Para-59 above or actual bill amount, whichever is lower

63. For providing treatment to a general patient, the payment to the PHI shall be limited to 30 percent of the prescribed limit of package rate in para- 59(i), (ii) and (iii) above or 30% of actual bill amount subject to the prescribed limit allowed for PHIs as in Para -59 whichever is lower.

Productivity linked incentives for public health institutions

64. A PHI can use up to 10 percent of the reimbursement amount received under the scheme for complex secondary healthcare treatments, tertiary healthcare and emergency treatments to provide productivity linked incentives (productivity to be defined separately) to its medical team involved in the specified treatment. The balance 90 percent of the amount shall be deposited in the Arogya Raksha Fund of the PHI for meeting the expenses of the hospital as per the Fund norms over and above the normal grant-in-aid available from the Government.

65. Reimbursement amount received under the scheme shall also include reimbursement as indicated in para - 59(i) above for simple secondary health care treatments to PHIs only as listed in Annexure - 2A to this G O.

15/11/18

Scheme management

66. Suvarna Arogya Suraksha Trust shall be the State Health Agency (SHA) for the integrated "Ayushman Bharat-Arogya Karnataka"scheme. It will co-ordinate with the National Health Agency (NHA) regarding the implementation of the scheme.

67. In addition to supporting the Commissioner Health & Family Welfare and Director Medical Education for implementation and management of the scheme, SAST will facilitate coordination with the Health & Family Welfare Dept., GoK and Medical Education Dept., GoK and MoHFW and monitor implementation of the scheme by private empanelled hospitals. The detailed roles and responsibilities of SAST are at Annexure - 10 to this order.

68. The operational responsibility of delivery of health services in the PHIs shall be with the Commissioner, Health & Family Welfare for the PHIs administered by Health & Family Welfare Department and with Director, Medical Education for the PHIs administered by Medical Education Department.

69. The fixing of treatment package rates and their periodic revisions shall require approval of the Government. Any revision to the list of treatments specified in Annexures - 1, 2A, 2B, 3 and 4 shall also require approval of the Government.

70. The administrative charges payable to SAST for management of the scheme shall be sanctioned through a separate order.

IT System

71. SAST shall establish the IT systems for patient enrollment, patient referral, patient acquisition, and "Ayushman Bharat- Arogya Karnataka Readiness" disclosure of hospitals.

72. The first-time enrolment of patients shall be done on Arogya Karnataka enrollment software.

73. SAST shall provide secured integration and access to its IT systems for the e-Hospital or any other customized software of the PHIs for patient registration after the one-time enrolment, referral management. Ayushman Bharat-Arogya Karnataka readiness information inputs, and submission of reimbursement claims for the simple secondary healthcare, complex secondary healthcare treatments, tertiary healthcare

treatments and emergency treatments specified in Annexures - 2A, 2B, 3 and 4 respectively.

74. SAST shall provide secured access to its IT systems to the empanelled hospitals for patients' acquisition based on referrals from the PHI, pre-authorization requests and claim submissions.

75. For an "eligible patient" seeking complex secondary or tertiary healthcare treatment, copies of PDS card, Aadhaar card and the referral note should be uploaded on the SAST portal for pre-authorization. The hospital should verify that the patient belongs to the eligible household category as per the PDS card.

76. For a "general patient" seeking complex secondary or tertiary healthcare treatment, copies of Aadhaar card and the referral note should be uploaded in the SAST portal for pre-authorization. The hospital should verify that the patient is a resident of Karnataka as per the Aadhaar card.

77. For emergency healthcare treatment provided to an eligible patient, copies of PDS card and Aadhaar card should be submitted along with the reimbursement claim.

78. The PHIs and the empanelled private hospitals shall upgrade their information systems to provide relevant information to the SAST IT system, at least on a daily basis, for disclosure to the public.

79. Commissioner, Health & Family Welfare and Director, Medical Education shall be responsible for establishing the patient registration system and patient referral system in their respective PHIs by arranging suitable customization in the e-Hospital software. SAST will facilitate preparation of FRS document for the registration and referral systems based on the protocol to be developed and arranging training of the medical and para-medical staff for using the systems.

80. Commissioner, Health & Family Welfare and Director, Medical Education shall also be responsible for establishing biometric attendance systems in their respective PHIs to ensure assured availability of the medical and para-medical staff for delivery of services.

15/11/18

81. Primary & Secondary Education Department will be encouraged to provide a "student health module" in its "Students Achievement Tracking System" for implementation of RBSK in government and aided schools.

82. Suvarna Arogya Suraksha Trust shall customize its system to share scheme data relating to scheme implementation and progress, beneficiary data, financial data or any other data relating to the scheme to the Government of India in the format prescribed by the National health Agency.

83. SAST shall provide for inter-operability of PM-JAY beneficiaries of India over all AB-ArK empanelled facilities in the State through its existing IT platform or adopt the National portal to facilitate National Portability.

84. Under Ayushman Bharat-Arogya Karnataka integrated scheme the eligible beneficiary under "Ayushman Bharat" Scheme from other States of the country will be able to get treatment in the State from the Empanelled Health Care Provider (EHCP) network of Karnataka. Similarly eligible beneficiaries from Karnataka can avail treatment outside the State in any Empanelled Healthcare Provider Network under Ayushman Bharat. For this guidelines of AB-NHPM shall be followed regarding modalities of portability under the scheme.

85. This provision will not be applicable to the hospitals of the neighbouring States empanelled with Karnataka. The hospitals in neighbouring States servicing the border areas and empanelled in the integrated Ayushman Bharat-Arogya Karnataka Scheme shall follow the reference norms as laid down in this G.O.

86. It shall be the responsibility of SAST to settle the claims that are raised by the hospitals outside of Karnataka relating to treatment of patients under the national portability norms as stipulated by NHA.

Disclosure to the public

87. SAST shall facilitate placing of the following information in the public domain by Commissioner, Health & Family Welfare and Director, Medical Education for orderly implementation of the scheme and for helping patients make informed choices;

i. Geographical spread of available PHIs and empanelled private hospitals for specified treatments;

ii. Readiness of PHIs and empanelled private hospitals for the specified treatments on a daily basis;

iii. Number of treatments provided by each PHI and empanelled private hospitals;

iv. Package rate lists approved by the State Government in the integrated scheme;

v. Package rate list of each empanelled private hospital for general category patients;

The access of the public to the above information shall be facilitated through a suitable Mobile App, Public Website, SMS based query system, and Interactive Voice-based query system and Call Center.

Funding for the scheme

88. The scheme shall be funded primarily from the budget provision available under HOA 2210-80-001-0-01. The scheme description shall be modified as "Ayushman Bharat-Arogya Karnataka".

89. For the transition period during 2017-18 and 2018-19, the expenditure for the Yeshasvini scheme patients shall be met from the budget provision available under HOA 2425-00-108-0-57. The provision shall be brought under the Demand for the Health & Family Welfare in the budget for 2018-19.

90. The expenditure for RSBY patients shall be met from the budget provision available under HOA 2210-80-800-0-27 to facilitate separate maintenance of accounts for claiming reimbursement from the Government of India.

91. The expenditure on RBSK patients shall be met from the outlay approved for the National Health Mission programme.

92. The scheme shall be funded primarily from the budget provision available under HoA 2210-80-001-0-01. The scheme description shall be modified as "Ayushman Bharat-Arogya Karnataka", shall be;

i. The integrated scheme shall be implemented in Assurance Mode.

ii. The list of 1614 treatments that are annexed to this GO shall be aligned with the codes adopted by NHA for facilitation of data sharing with NHA and National Portability.

15/11/18

iii. The treatments detailed in Annexures-1 and 2A, shall be reserved exclusively for the PHIs. For the services provided through PHIs, SAST shall claim reimbursement from NHA and settle the claims of PHIs relating to these procedures.

iv. The referral to the private hospitals for other treatments, except emergency cases, shall be through the PHIs as prescribed in paras - 29 to 34 above.

v. SAST shall establish a back-end mapping of " Ayushman Bharat- Arogya Karnataka" unique identity number with RSBY card identity number based on Aadhaar or PDS Card number to facilitate compilation of reimbursement claims and monitoring of healthcare for persons working in the un-organized sectors.

Timeline for implementation

93. The scheme shall be implemented simultaneously in all District level and Taluka level hospitals administered by the Health & Family Welfare Department and Medical Education Department in the State with effect from the date of the issue of this order.

94. All other provisions in the Government Orders and Circulars at reference that are not inconsistent with this order shall continue to be in force.

95. Annexures - 2A, 2B, 3, 4, 7, 8 and 9 of the G.O. No. HFW 91 CGE 2017, dated 1/3/2018 are hereby rescinded.

96. This order is issued with approval of the competent authority and concurrence of Finance Department vide its endorsement number FD 557 Exp 5 / 2018 dated 17.9.2018.

By Order and in the Name of the
Governor of Karnataka

Annexure 6

G.O. No. HFW 69 CGE 2018, dated: 15.11.2018

Integrated Ayushman Bharath-Arogya Karnataka - Empanelment Criteria for Public Health Institutions and Private Hospitals.

1. Introduction

In order to acquire patients under the "Ayushman Bharath-Arogya Karnataka" scheme Public Health institutions and Private hospitals should be empanelled with Suvarna Arogya Suraksha Trust. Applications for empanelment should be submitted online in the portal of SAST **www.sast.gov.in**. The following points are considered while processing the application forms to determine the eligibility for empanelment.

i) Hospital /Health care Provider empanellment request
ii) Health Care Organisation registration details
iii) Accreditation and Statuary regulations (AERB, KPME, Pollution Control Board, NABH and other statutory requirements)
iv) Tax and PAN card details
v) General Infrastructure (Hospital Bed Strength/General Ward Beds/No. of Beds (Male)/ No. of Beds (Female)
vi) Hospital infrastructure Operation theatre, emergency facilities, CSSD facility, etc.
vii) Diagnostic facilities.
viii) Specialist details with all the necessary documents.

1.1 Basic Principles of empanelment

For providing the benefits under integrated AB-ARK scheme the State Health Agency (Suvarna Arogya Suraksha Trust) through State Empanelment and Disciplinary Committee will empanel Public Healthcare Institute and Private Hospitals in the State and in neighbouring States for the benefit of border areas. The physical verification is done through District empanelment committee (DEC) or through State Empanelment and Disciplinary committee. The following points are considered for empanelment;

i. Private hospitals that were empaneled with SAST or Yeshaswini Trust or with RSBY insurance companies and others may be given provisional empanelment for the Ayushman Bharat - Arogya Karnataka scheme subject to fulfillment of norms prescribed herein.

ii. On getting the provisional empanelment, the concerned hospital shall be provided a three-month period to submit the formal application along with supporting documents in fulfillment of the norms, or submission of requests, to the concerned authorities for the statutory approvals.

iii. On submission of the formal application with supporting documents, the empanelment committee of SAST shall consider the application for

continuation of the provisional empanelment, for a period not exceeding one year in case of partial compliance to the norms, or according full empanelment for a period of three years on compliance of all the norms. After a period of three years, the empanelment would have to be renewed.

iv. For fulfilling the requirement of the norms relating to NABH entry level certification and fire safety advisory plan from prescribed agencies, a period of one year is provided for compliance.

v. For fulfilling the requirement of the statutory norms such as KPME renewal, AERB permission, Pollution control certification, a period of six months is provided for compliance

vi. Based on the decision of the empanelment committee, a Memorandum of Understanding (MOU) between SAST and the concerned hospitals shall be signed according to the status of the empanelment, defining the rights and obligations of the parties.

vii. In the event of a provisionally empaneled hospital not submitting the formal application with supporting documents within a period of three months from the date of the provisional empanelment based on the consent letter, or not submitting compliance to the norms within the stipulated time, as relevant for the norms mentioned in paras iv and v above, from the date of the formal application, the provisional empanelment shall stand terminated.

viii. A one-time processing fee for application for empanelment or its renewal shall be the following.

a Rs. 10000 (ten thousand), for a private hospital seeking to provide complex secondary healthcare treatments only;

b Rs. 20000 (twenty thousand), for a private hospital seeking to provide tertiary healthcare treatments only;

c Rs. 10000 (ten thousand), for a private hospital seeking to provide emergency healthcare treatments only;

d Rs. 20000 (twenty thousand) for a private hospital seeking to provide all three types of treatment complex secondary; tertiary and emergency healthcare treatment.

There shall not be any fee for empanelment of the PHIs.

1.2 Institutional Setup For Empanelment

The State Empanelment and Disciplinary Committee will be constituted by the Government.

1.3 The SHA through state empanelment and disciplinary committee shall ensure:

i) Empanelment within the stipulated timeline for quick implementation of the programme
ii) The empanelled provider meets the minimum criteria as defined by the guidelines for general or specialty care facilities.
iii) Transparency in Empanelment and De- empanelment processes..
iv) Time bound processing of all applications; and
v) Time bound escalation of appeals

It is prescribed that at the district level, a similar committee, District Empanelment Committee (DEC) will be formed, which will be responsible for hospital empanelment related activities at the district level and to assist the SEC in empanelment and disciplinary proceedings with regards to network providers in their districts.

1.4 District Empanelment Committee (DEC) will constitute of the following members

i) District Surgeon/Principal Government medical college of the respective district
ii) District Nodal officer – State Health Agency
iii) Regional Coordinator – SAST
iv) One Specialist /Superspecilaity Member from the district for facility inspection.

1.5 The DEC will be responsible for:

i) Getting the field verification done along with the submission of the verification reports to the SEC through the online empanelment portal.
ii) Recommending, if justified, any relaxation in empanelment criteria that may be required to ensure that sufficient number of empanelled facilities are available in the district.
iii) Final approval of relaxation will lie with SEC.
iv) The SEC will consider, among other things, the reports submitted by the DEC and recommendation for approval or denial or return to the requesting hospital for more details.

1.6 Role of DEC

i) After the empanelment request by a hospital is filed, the application should be scrutinized by the SEC and processed completely within 15 days of receipt of application and will be forwarded to DEC.
ii) A login account for a nodal officer from DEC will be created by SEC. This login ID will be used to download the application of hospitals and upload the

inspection report. As a first step, the documents uploaded have to be correlated with physical verification of original documents produced by the hospital. In case any documents are found wanting, the DEC may return the application to the hospital for rectifying any errors in the documents.

iii) After the verification of documents, the DEC will physically inspect the premises of the hospital and verify the physical presence of the details entered in the empanelment application, including but not limited to equipment, human resources, service standards and quality and submit a report in a said format through the portal along with supporting pictures/videos/document scans.

iv) DEC will ensure the visits are conducted for the physical verification of the hospital. The verification team will have at least one qualified specialist (With PG qualification).

v) The team will verify the information provided by the hospitals on the web-portal and will also verify that hospitals have applied for empanelment for all specialties as available in the hospital.

vi) In case during inspection, it is found that hospital has not applied for one or more specialties but the same facilities are available, then the hospital will be instructed to apply for the missing specialties within a stipulated timeline (i.e. 7 days from the inspection date).

vii) In this case, the hospital will need to fill the application form again on the web portal. However, all the previously filled information by the hospital will be prepopulated and hospital will be expected to enter the new information.

viii) If the hospital does not apply for the other specialties in the stipulated time, it will be disqualified from the empanelment process.

ix) In case during inspection, it is found that hospital has applied for multiple specialties, but all do not conform to minimum requirements under AB-ArK then the hospital will only be empanelled for specialties that conform to AB-ArK norms.

x) The team will recommend whether hospital should be empanelled or not based on their field-based inspection/verification report.

xi) DEC team will submit its final inspection report to the state. The district nodal officer has to upload the reports through the portal login assigned to him/her.

xii) The DEC will then forward the application along with its recommendation to the SEC.

1.7 Process of Empanelment

Empanelment requirements

i) The empanelment of private hospitals in the neighboring states can also be considered in case of inadequate capacity being available in the PHIs and the empanelled hospitals in the border districts.

ii) All public facilities with capability of providing inpatient services (Community Health Centre level and above) are deemed empanelled under integrated AB-ArK. The State Health Department shall ensure that the enabling infrastructure and guidelines are put in place to enable all public health facilities to provide services under AB- ArK.

iii) AB-ArK hospitals will also be eligible for empanelment in AB-NHPM, based on the approvals.

iv) Hospitals will be encouraged to attain quality milestones by making NABH (National Accreditation Board of Health) pre entry level accreditation/ NQAS (National Quality Assurance Standards) mandatory for all the empanelled hospitals to be attained within 1 year.

v) Hospitals with NABH/ NQAS accreditation will be given incentivised payment structures by the states within the flexibility provided by MoHFW/NHA at rates fixed by the State Government.

vi) Hospitals will undergo a renewal process for empanelment once every 3 years or till the expiry of validity of NABH/ NQAS certification, whichever is earlier to determine compliance to minimum standards.

1.8 Empanelment of Private Network hospitals in the border districts of Maharastra, Andra Pradesh, Telangana and Goa states

Private Network hospitals are empaneled under AB-ArK with the same Terms of reference prescribed in the empanelment criteria in the border districts for Complex secondary, Tertiary and Emergency treatment packages. Patients acquisition can be done only if referred from Public Health Institutions in case of procedure packages Annexure-7B & 8. For procedures under Annexure-9 patients can directly go to empaneled private hospitals.

1.9 Empanelment and Disciplinary Committee

An Empanelment and Disciplinary Committee shall be constituted by the Government of Karnataka for the process of Empanelment and De-empanelment of hospitals under the"Arogya Karnataka" scheme. The Committee will be vested with powers to conduct inspections or cause to conduct inspections of the hospitals registering for empanelment under the Arogya Karnataka scheme, and also to review the empanelment status of hospitals with reference to the MoU signed and recommend disciplinary action including levying of penalty and De-empanellment of the hospital.

1.10 Role of SEC

i) The SEC will consider, among other things, the reports submitted by the DEC. The hospital empanelment request shall be approved, denied or returned to the hospital.

ii) In case of refusal, the SEC will record in writing the reasons for refusal and either direct the hospital to remedy the deficiencies, or in case of egregious emissions from the empanelment request, either based on documentary or physical verification- direct the hospital to submit a fresh request for empanelment on the online portal.

iii) The SEC will also consider recommendations for relaxation of criteria of empanelment received from DEC or from the SHA and approve them to ensure that sufficient number and specialties of empanelled facilities are available.

iv) Hospital will be intimated as soon as a decision is taken regarding its empanelment and the same will be updated on the AB-ArK web portal. The hospital will also be notified through SMS/email of the final decision. If the

application is approved, the hospital will be assigned a unique national hospital registration number under AB-ArK.

v) If the application is rejected, the hospital will be intimated of the reasons on the basis of which the application was not accepted and comments supporting the decision will be provided on the AB-ArK web portal. Such hospitals shall have the right to file a review against the rejection with the State Health Agency within 15 days of rejection through the portal.

vi) In case the hospital chooses to withdraw from AB-ArK, it will only be permitted to reenter/ get re-empanelled under AB-ArK after a period of 6 months.

vii) If a hospital is blacklisted for a defined period due to fraud/abuse, after following due process by the State Empanelment Committee, it can be permitted to re-apply after cessation of the blacklisting period or revocation of the blacklisting order, whichever is earlier.

viii) Final decision on request of a Hospital for empanelment under AB-ArK shall be completed within 30 days of receiving such an application.

1.11 Signing of MOU

i) After execution of the MoU and remittance of the prescribed fee, the hospital will be provided an user ID and password for the process of preauthorization, claims, and further processing.

ii) For the process of inclusion of additional super specialists in the empanelled list, the hospital has to submit the online request by selecting the upgradation option and uploading doctor's Medical Council registration certificates, degree certificates, appointment letter and consent letter.

iii) For the process of inclusion of additional speciality, the hospital has to submit online application in the same reference ID along with the list of equipment, additional infrastructure, doctor's Medical Council registration certificates, degree certificates, appointment letter and consent letter.

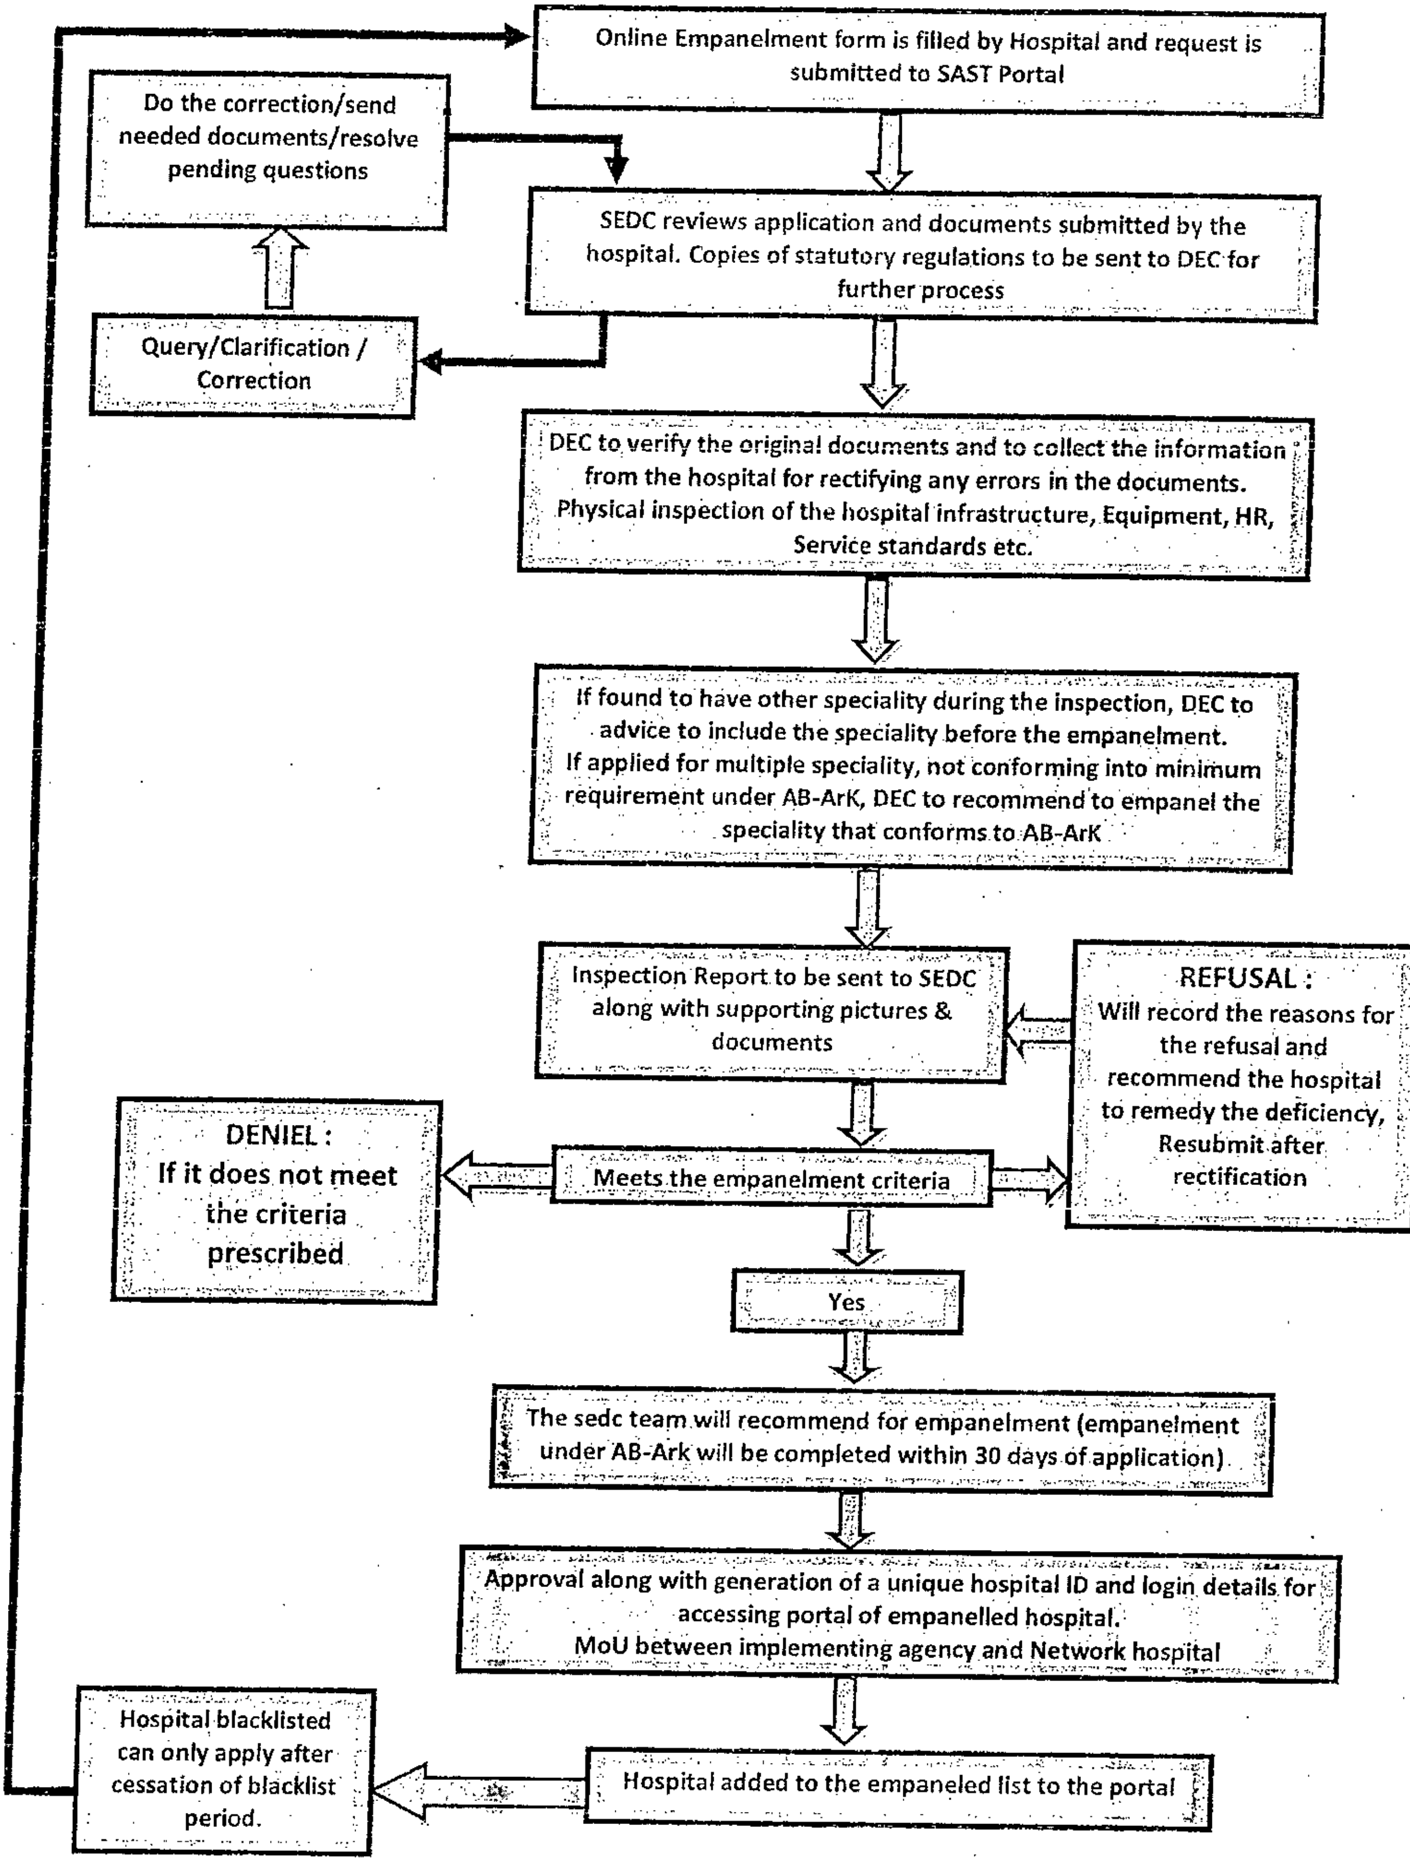

2. Appellate Authority

The Principal Secretary, Department of Health and Family Welfare will be the Appellate authority for any grievance against the actions taken by the Empanelment and Disciplinary Committee.

Process Flow:

The process flow for hospital empanelment is depicted in the figure below:

Fig 1: Process Flow for Hospital Empanelment

3. Empanelment Criteria for Hospitals

Table 1: Basic empanelment Criteria for Hospitals

The hospitals empanelled under one speciality shall be deemed to be empanelled to related speciality Emergency care. Hospitals empanelled under Complex secondary shall be deemed to be empaneled under related speciality emergency care.

	Complex Secondary care	Tertiary care
Number of beds	15 beds or more	50 beds or more[1]
Separate male and female wards	YES	YES
Emergency services	YES	YES
Pharmacy	In house	In – house – 24X7
Diagnostic labs	In house or tie up	In – house – 24X7
Blood bank access	In house or tie up	In – house – 24X7
Radiology	In house	In – house – 24X7/ For higher Radiology Tie –Up
Sonology	In house or tie up (In house preferred)	In – house – 24X7
Operation theatres	If conducting surgeries (As per standard OT guidelines for secondary care.	Yes (As per standard super-specialty OT guidelines for tertiary care.
ICU	If conducting surgeries (Level II ICU)	Yes (Level III ICU with Dialysis port)
Step down ICU	Optional	YES
Post op wards	(Optional) Level II ICU	YES
MBBS doctors 24x7	24*7round the clock duty doctors at emergency and ICU	Intensivist support with 24*7 duty doctors for emergency and ICU
Specialists	Depending on the specialty request for empanelment	Depending on the specialty request for empanelment
Anesthetist	In house preferred	In house – 24 x7
Nurses	Nurses as per bed patient ratio prescribed by INC at ICU, OT, emergency and HDU	Nurses as per bed patient ratio prescribed by INC at ICU, OT, emergency and HDU
Para-medical staff	ICU technicians and OT technicians to be provided	In house as per Standard treatment guidelines
Equipment	Depending on the specialization applied for; (requires DG set for uninterrupted supply)	Depending on the specialization applied for; (requires DG set for uninterrupted power supply)

[1] For single speciality tertiary hospitals, only 30 beds are required

4.1. Detailed Empanelment Criteria for All Hospitals

- The detailed mandatory licenses requirement and accreditation criteria is presented in

Table 2: Certification and Accreditation Criteria

Criteria	Secondary/ Complex Secondary	Tertiary
Mandatory Licenses	Pollution Control Board licenses. KPME registration AERB licenses DG set Lift license Electrical safety and other relevant statutory certificate	Pollution Control Board licenses. KPME registration AERB licenses DG set Lift license Electrical safety and other relevant statutory certificates
Accreditation	**Requirement** : NABH entry level (as minimum requirement.)	**Requirement :** NABH entry level (as minimum requirement) -Will consider other international quality standards accredited by ISQua(eg. JCI), which is equivalent to corresponding NABH accreditation (Full level).

i) Must have a KPME registration (for private hospitals). Any hospital applying for renewal of KPME registration has to furnish renewal application No. and registration such hospitals may be empanelled pending the receipt of renewal certificate

ii) Must have a Pollution control board certificate, drug and pharmaceutical licence and electrical safety licence. Hospital should have a bio-medical waste management system

iii) Should have inpatient services and emergency / casualty services.

iv) Should have NABH entry level accreditation certification or should have applied for it.

v) If the hospital does not have complete required facility for empanellment and such of the facilities, which are not mandated for in house facility, hospital can co-opt with other hospitals/diagnostic centre for fulfilling the requirement of empanelment. MoU should be executed with the hospital/diagnostic facility and the document needs to be uploaded and intimated in the relevant column in the registration application

vi) Particulars of the specialist and duty doctors working in intended hospitals for empanelment need to be furnished. The required speciality certificates duly registered and endorsed by the Medical Council is to be furnished.

vii) Qualified nursing staff as per the INC guidelines for various facilities mentioned in the empanelment registration are to be provided and should

conform to the rules laid down by State Govt. / Clinical Establishment Authority as applicable from time to time.

viii) An executive should be designated for facilitating the patients visiting the hospital, facilitating the beneficiaries, also to apprise them of the scheme and the benefits that they can avail, coordinate with the SAST for pre-authorisation, claim settlement and follow up.

ix) The medical coordinator will be an identified doctor in the hospital who will facilitate submission of online pre-authorization and claims requests, follow up for meeting any deficiencies and coordinating necessary and appropriate treatment in the hospital.

4.2 Detailed Empanelment Criteria for Hospitals providing Secondary Care

i) Should be providing at least one or more of the following specialities
   - Medical: General Medicine, Paediatrics, Dermatology, Psychiatry, Endocrinology,
   - Surgical: General Surgery, Orthopaedics, ENT, Ophthalmology, Obstetrics and Gynaecology, Gastrointestinal Surgery, Hysteroscopic procedures.
   - Dental

ii) Should have at least 10 beds for admissions

iii) Should have inpatient and emergency services.

iv) Should have in-house/tie-up laboratory, Radiology, Pharmacy, Blood bank and ambulance services.

v) Should have nursing staff as per the INC guidelines for all facilities including OT and/or Labour room.

vi) If surgical services are provided, an anaesthetist should also be available (either in-house or on call).

vii) Those hospitals providing surgical services should have standard Operation Theatre setup with required equipments.

viii) Laboratory and Radiological investigations are mandatory (in-house/tie up) If registered for empanelment of obstetric services, the hospital should have labour room Operation Theatre setup with required equipments, qualified obstetrician, paediatrician and an anaesthetist services should be available at the hospital

ix) The hospital registered for empanelment should have the necessary equipment like (but not limited to) Autoclave, Suction apparatus, defibrillator, Resuscitation kit, Nebuliser, CSSD services etc., as per the speciality for which registered

x) Those hospitals that provide other specialities like ENT or Dentistry should have the necessary equipment specific to that speciality, e.g. an operating microscope or a dental chair.

xi) Other than the equipment, the hospital should store emergency medicines like Inj. Adrenaline, Inj. Atropine, oxygen supply, etc.

xii) Should have a medical record system documentation system, e.g. an inpatient register, a death register, Medico legal register, individual case files for admitted patients.

4.3. Detailed Empanelment Criteria for Hospitals providing Complex Secondary Care

i) Should be providing at least one or more of the following specialities

ii) Medical: General Medicine, Paediatrics, Dermatology, Psychiatry, Endocrinology,

iii) Surgical: General Surgery, Orthopaedics, ENT, Ophthalmology, Obstetrics and Gynaecology, Gastrointestinal Surgery, Neurosurgery, Urology, Burns, Hysteroscopic procedures.

iv) Dental

v) Should have at least 15 beds for admissions

vi) Should have inpatient and emergency services.

vii) Should have in-house for laboratory, radiological, Pharmacy, Blood Bank/Blood Storage Unit and ambulance services.

viii) Should have nursing staff as per the INC guidelines for all facilities including OT and/or Labour room, Post-Operative Ward, etc.

ix) Hospitals registering for empanelment of speciality services should have the services of at least one specialist in the respective speciality

x) The hospital empanelled for providing surgical services should have the services of in house anaesthetist, services of surgeon in the concerned speciality, standard OT set up with required equipments.

xi) If registered for empanelment of obstetric services, the hospital should have labour room Operation Theatre setup with required equipments, qualified obstetrician, paediatrician and an anaesthetist services should be available at the hospital

xii) The hospital registered for empanelment should have the necessary equipment like (but not limited to) Autoclave, defibrillator, Suction apparatus, Resuscitation kit, Nebuliser, CSSD services etc., as per the speciality for which registered

xiii) Hospitals that provide other specialities like ENT or Dentistry should have the necessary equipment specific to that speciality, e.g. an operating microscope or a dental chair.

xiv) Other than the equipment, the hospital should store emergency medicines like Inj. Adrenaline, Inj. Atropine, oxygen supply, etc.

xv) Should have a medical record system documentation system, e.g. an inpatient register, a death register, Medico legal register, individual case files for admitted patients.

4.4. Detailed Empanelment Criteria for Hospitals providing tertiary care

Should have at least one or more of the following specialities

i) **Medical specialities**: Cardiology, Medical Oncology,

ii) **Surgical specialities**: Cardiology, Cardiothoracic surgery, cardiovascular surgery Neurosurgery, Burns, Paediatric and Neonatal surgery, Polytrauma, Genito-Urinary Surgery, Surgical Oncology, Medical Oncology.

iii) Radiation Oncology

iv) Should have at least 50 beds for admissions. Can be relaxed to 30 beds for single speciality hospitals.

v) Should have at least one super speciality OT, one ICU

vi) Level III one Step Down ICU and one post Op ward.

vii) Should be general wards as well as separate male and female wards.

viii) Should have in-house laboratory, radiological, Pharmacy, Blood bank and ambulance services that are available round the clock.

ix) Nurses are required as per bed- patient ratio prescribed by INC at ICU, OT, emergency and HDU.

x) Should have Intensivist and round the clock ICU Doctors.

xi) Should have at least one in-house specialist round the clock for each specialised service that it provides

xii) If surgical services are provided, an anaesthetist should also be available round the clock.

xiii) The hospital should have the necessary equipment depending on the specialty.

xiv) Hospitals providing surgical services should have an OT with anaesthesia work station, central oxygen, multi para monitor, infusion pump, defibrillator, OT Lamps, Cardiac monitors and diathermy.

xv) The ICU should be in close proximity of operation theatre, acute care medical and surgical wards units. Suction, oxygen supply and compressed air should be provided for each bed. Others facilities like piped gases, multi-monitoring equipment, infusion of ionotropic support, equipment for maintenance of body temperature, at least one dialysis portal, weighing scale etc., ICU should also be equipped with all the equipment and manpower as per HDU norms, plus paediatric ventilator(s) for 24*7 monitoring.

xvi) Legal requirements as applicable by the local/state health authority.

xvii) Registration with the Income Tax Department.

xviii) NEFT enabled bank account

xix) Safe drinking water facilities.

xx) Uninterrupted (24 hour) supply of electricity and generator facility with required capacity suitable to the bed strength of the hospital.

xxi) Waste management support services (General and Bio Medical) – in compliance with the bio-medical waste management act.

xxii) Appropriate fire-safety measures.

4.5. Specific criteria for Cardiology/ CVTS

i) CTVS theatre facility (Open Heart Tray, Gas pipelines Lung Machine with TCM, defibrillator, ABG Machine, ACT Machine, Hypothermia machine, IABP, cautery etc.)

ii) Post-op with ventilator support.

iii) ICU Facility with cardiac monitoring and ventilator support

iv) Hospital should facilitate round the clock cardiologist services.

v) Availability of support specialty of General Physician & Paediatrician.

vi) Fully equipped Catheterization Laboratory Unit with qualified and trained Paramedics.

4.6. Specific criteria for Cancer Care

i) For empanelment of Cancer treatment, the facility should have a tumour board which decides a comprehensive plan towards multi-modal treatment of the patient. In case of such board not being there, appropriate linkage mechanisms need to be established to the nearest regional cancer centre (RCC). Tumour board should consist of a qualified team of Surgical, Radiation and Medical Oncologist in order to ensure the most appropriate treatment for the patient.

ii) Relapse/recurrence may sometimes occur during/ after treatment. Retreatment is often possible which may be undertaken after evaluation by a Medical/ Paediatric/Oncologist/ Tumour board with prior approval and pre-authorization of treatment.

iii) For extending the treatment of chemotherapy and radiotherapy the hospital should have the requisite infrastructure for radiotherapy treatment viz. for cobalt therapy, linear accelerator radiation treatment and brachytherapy available in-house. In case such facilities are not available in the empanelled hospital for radiotherapy treatment and even for chemotherapy, the hospital shall not perform the approved surgical procedure alone, but refer the patients to other centres for follow-up treatments requiring chemotherapy and radiotherapy treatments. This should be indicated where appropriate in the treatment approval plan.

iv) Further hospitals can have infrastructure capable for providing certain specialized radiation treatment packages such as stereotactic radiosurgery/ therapy.
   - Treatment machines which are capable of delivering SRS/SRT
   - Associated Treatment planning system
   - Associated Dosimetry systems

4.7. Specific criteria for Neurosurgery

i) Well Equipped Theatre with qualified paramedical staff, C-Arm, Microscope, neurosurgery compatible OT table with head holding frame (horse shoe, may field / sugita or equivalent frame).
ii) Neuro ICU facility
iii) Post-op with ventilator support
iv) Facilitation for round the clock MRI, CT and other support biochemical investigations.

4.8. Specific criteria for Burns, Plastic & Reconstructive surgery

i) The Hospital should have full time / on - call services of qualified plastic surgeon and support staff with requisite infrastructure for corrective surgeries for post burn contractures.
ii) Isolation wards having monitor, defibrillator, central oxygen line and all OT equipment.
iii) Well Equipped Theatre
iv) Surgical Intensive Care Unit.
v) Post-op with ventilator support
vi) Trained Paramedics
vii) Post-op rehab/ Physiotherapy support/ Psychology support.

4.9. Specific criteria for Neonatal/Paediatric Surgery

i) The Hospital should have full time/on call services of paediatric surgeons / plastic surgeons / urologist/paediatric orthopaedic surgeon related to congenital malformation in the paediatric age group.
ii) Well-equipped theatre
iii) Paediatric and Neonatal ICU support
iv) NICU should be divided into 2 portions, one for clean babies and other for septic babies.
v) NICU should be Equipped with Ventilators, Phototherapy Units, Transport incubators, Nebulizer, Pulse oxymeter, Multipara monitors, Syringe pumps, Infusion pumps, Resuscitation trolley.
vi) Support services of pediatrician (should be in-charge of NICU).

vii) Availability of mother rooms and feeding area.

viii) Availability of radiological/ fluoroscopy services (including IITV), Laboratory services and Blood bank.

4.10 Specific criteria for Polytrauma

i) Shall have Emergency room setup with round the clock dedicated duty doctors.

ii) Shall have the full-time service availability of Orthopaedic Surgeon, General Surgeon, and anaesthetist services.

iii) Shall provide round the clock services of Neurosurgeon, Orthopaedic Surgeon, CT Surgeon, General Surgeon, Vascular Surgeon and other support specialists as and when required based on the need.

iv) Shall have dedicated round the clock Emergency theatre with C-Arm facility, Surgical ICU, Post-OP Setup with qualified staff.

v) Shall be able to provide necessary diagnostic support round the clock including specialized investigations such as CT, MRI, emergency biochemical investigations.

vi) For conducting joint replacement surgery clean air super speciality OT with SG.

4.11 Specific criteria for Nephrology and Urology Surgery

i) Shall have a Dialysis unit

ii) Shall have a well-equipped operation theatre with C-ARM

iii) Shall have Endoscopy investigation support.

iv) Shall have Post op ICU care with ventilator support and dialysis portal in ICU

v) Shall have Lithotripsy equipment

4.12 Criteria for Emergency Room

i) Trauma care rooms equipped with the latest medical technologies

ii) Radiology suite with X-Ray, Ultrasound

iii) Integrated HDU – High Density Unit

iv) Doctors 24/7 availability

v) Require Emergency Department to be conveniently located near laboratory and radiological services and separate from surgical and obstetric suites and, at a minimum, contain a reception and control area; public waiting space, a well-marked entrance separate from the hospital's main entrance, sheltered from weather, and able to service ambulances and pedestrians;

- an emergency room with clinical sink and hand washing facilities;
- a nurses station (which may be in the reception and control area or the emergency room);

vi) The hospital must make provisions for additional nursing staff during unusual circumstances

4.13 Criteria for Mental Health

a. Criteria for Mental Health

i) Qualified specialist
ii) Adequate provision of human resource management to take care of assessment
iii) In patient & Out-patient services
iv) Intensive case management facility with provision of emergency Psychiatrist round the clock
v) Rehabilitation units
vi) Provision for in-house kitchen/canteen
vii) Provision for adequate security measures for preventing violence/escapes.
viii) CCTV facilities in the public places.
ix) Registered under Mental Healthcare Act. 2017 (meaning, qualifying under minimum standards according to the MHCA, 2017)

b. Criterial for High risk population

i) Mental Health establishment should be complaint with MHCA, 2017
ii) Separate ward/facilities for admitting
   - Perinatal admissions
   - Children and adolescents (aged below 18 years)
   - Geriatric population (aged 60 or above)

4.14 Criteria for Interventional Neuroradiology

i) Interventional digital angiography unit
ii) A department of neurosurgery and neurology with neuro-vascular expertise
iii) An intensive care unit
iv) 24/7 service service is strongly recommended
v) In-patient, intensive care, and continued monitoring beds should be made available in sufficient numbers to accommodate patients of interventional neuroradiologists, at any time.
vi) An interventional neuroradiologist
vii) Trained nurse/radiographer
viii) Anesthetist should be required on call
ix) A postoperative recovery unit ,
x) A digital angiography suite accommodating anaesthesia and aseptic conditions similar to an operating theatre,
xi) A minimum a single plane high resolution DSA C-arm and the ability to perform 3D imaging in at least one diagnostic modality, i.e. CT,MRA or angiography or, optimally, a bi-plane digital angiography unit with three-dimensional image reconstruction capabilities.
xii) Radiation protection measures in accordance with national regulations

4.15 Criteria for Interventional Oral & Maxillofacial Surgery

i) Well-equipped Oral & Maxillofacial Surgery OT with equipments & instruments
ii) OPD with dental unit
iii) Qualified Oral & Maxillofacial Surgery surgeon
iv) Defibrillator and other CPR equipment.

5. Empanelment of Diagnostic centers

Parameters and guidelines fixed for recognition of private clinical laboratories for the investigations of beneficiaries and their families.

5.1. General

i) The clinical laboratories should have minimum 1000 sq. feet area
ii) Should have 24 hours Emergency Services
iii) Should have sufficient water supply and back-up power supply in case of electricity failure
iv) should have at least two toilets, one for ladies and one for gents
v) The laboratory should be owned /managed by a PG Diploma/Degree in pathology or Bacteriology or there should be a full employed pathologist or bacteriologist with PG Diploma / Degree qualification.
vi) Should employ qualified lab-technicians.
vii) Should have two beds ready in case of emergency while conducting lab. Procedures with all emergency drugs and oxygen.
viii) Should have auto analyser and refrigerator.
ix) The lab reports are to be validated as per the Standard Guidelines
x) Mandatory licenses as applicable

5.2. Pathology section

i) Should have all facilities for routine examinations of urine, stools and blood examinations, etc.,
ii) Should have all facilities for immunological test like HIV, A.S.L.O litre etc.,
iii) The laboratory should possess all requirement and facilities for Histo-pathological examination of tissue, fluids, including facilities for frozen section and wax section.

5.3. Bio chemical section

i) The laboratory should possess all required equipments for conducting all bio chemical examinations.

5.4. Microbiology Examination:

i) Laboratory should possess all facilities for Bacteriological Examination of slides.

ii) It should have facilities for culture and sensitivity test.

5.5. Diagnostic Facility (Radiology)

Diagnostic facility CT,Ultra sound and MRI

5.6. Empanelment Fee

Empanelment fee will be fixed by the Principal Secretary, Department of Health & Family Welfare for the purpose from time to time.

6. Doctor Empanelment

The process of doctor empanelment will take place concurrently with the process of hospital empanelment. Doctors serving in Karnataka Hospitals must meet the following doctor empanelment criteria as mentioned in Table 3.

Table 3. Doctor Qualifications Criteria

Criteria	Secondary/ Complex Secondary	Tertiary
Minimum Qualification	MBBS with PG to be endorsed by medical council • Degree or a diploma	• Super specialty qualification in respective specialty endorsed by Medical Council
Documents to be submitted for empanelment	• Degree certificate • Qualification registered in KMC or equivalent Medical Councils. • Appointment letter and consent letter from the hospitals. • Form 16/ 16A of in house consultant.	• Degree Certificates • Qualification registered in KMC or equivalent Medical Councils • Appointment letter and consent letter from the hospitals • Form 16/ 16A of in house consultant.

7. De-Empanelment Procedure

Hospitals empanelled under the UHC Scheme " Arogya Karnataka" can be de-empanelled if they fail to meet and uphold the necessary criteria agreed upon. De-empanelment will be on the recommendations of the Empanelment and Disciplinary Committee formed for the purpose. The following steps are to be followed for de-empanelment of hospitals.

7.1. "Watch-List" Status

Based on the claims data analysis or hospital visits by the Vigilance Officer of SAST or any authorized inspection authority, or any complaint received about the hospital from the patient or any third party interested person or any complaint received /reported in the grievance cell the EDC or its representative can put that hospital in the watch list and serve a show cause notice for the observed

deviations. The data of such hospital shall be analyzed very closely on a daily basis by SAST or its representatives for patterns, trends and anomalies.

7.2. Suspension

A hospital can be temporarily suspended in the following cases:

i) For the hospitals which are in the "Watch-List" if continuous patterns or strong evidence of irregularity based on either claims data or field visit of hospitals is observed, the hospital shall be suspended from providing services to UHC scheme patients and a formal investigation shall be instituted.

ii) If a hospital is not in the "Watch-list", but it is observed at any stage that it has data/ evidence that suggests that the hospital is involved in any unethical practice/ is not adhering to the major clauses of the contract under UHC scheme, or their representatives/ involved in financial fraud related to UHC Scheme patients, it may immediately suspend the hospital from providing services under UHC scheme and a formal investigation shall be instituted.

iii) All admitted patients under the "Arogya Karnataka" scheme will be provided continued treatment and no fresh admission can be done by the Hospital.

iv) To ensure that suspension of the hospital results in their not being able to treat UHC patients, a provision has been made in the software so that Hospital cannot send electronic claims data to UHC scheme portal.

v) A formal letter shall be sent to the hospital regarding its suspension with mentioning the timeframe within which the formal investigation will be completed.

7.3. Detailed investigation

There shall be a detailed investigation into the activities of a hospital in the following conditions:

i) For the Hospitals which have been suspended.

ii) Receipt of complaint of a serious nature from any of the stakeholders.

iii) The detailed investigation may include field visits to the hospitals, examination of case papers, talking with the beneficiaries (if needed), examination of hospital records etc.

iv) If the investigation reveals that the report/ complaint/ allegation against the hospital is not substantiated, suspension will be immediately revoked (in case it is suspended) the same will be informed to the concerned Hospital, district hospital and the process to receive claim from the hospital will be restarted.

7.4. Operative Action

If the investigation reveals that the complaint/allegation against the hospital is correct then following procedure shall be followed:

7.5. Deviations from MoU are classified as follows

1. Medical Deviation (Example)

i) Denial of admission /treatment.
ii) Service unavailability
iii) Non delivery of commitment

2. Financial Deviation (Example)

i) Co-payment
ii) Not giving conveyance charges/post discharge medicines /ambulance in case of death
iii) Outside prescription or investigations.
iv) Cancellation of approvals and converting scheme patients to cash

3. Denial of services (Examples)

i) Follow up care denial.
ii) Denial of treatment of post-operative complications.
iii) Excessive delays

4. Other deviations (Example)

i) Discrimination of the scheme patient in allotting dates for procedures or standard of care
ii) Injustice concerns (such as Overage, caste, sex, religion etc.,)
iii) Staff misbehavior

7.6. Procedure to be followed in case of reporting of deviation by a hospital (Fig. 2)

i) The Hospital will be issued a notice seeking an explanation for the deviation.
ii) After receipt of the explanation and its examination, the case would be placed in the empanelment and disciplinary committee meeting for further action. The charges may be dropped or action can be taken based on the explanation and findings for which the committee is empowered to institute a fact-finding enquiry against the hospital.
iii) The action could entail one of the following based on the seriousness of the issue and other factors involved:

- A warning to the concerned Hospital and financial penalty as prescribed from time to time.
- De- empanelment of the Hospital.

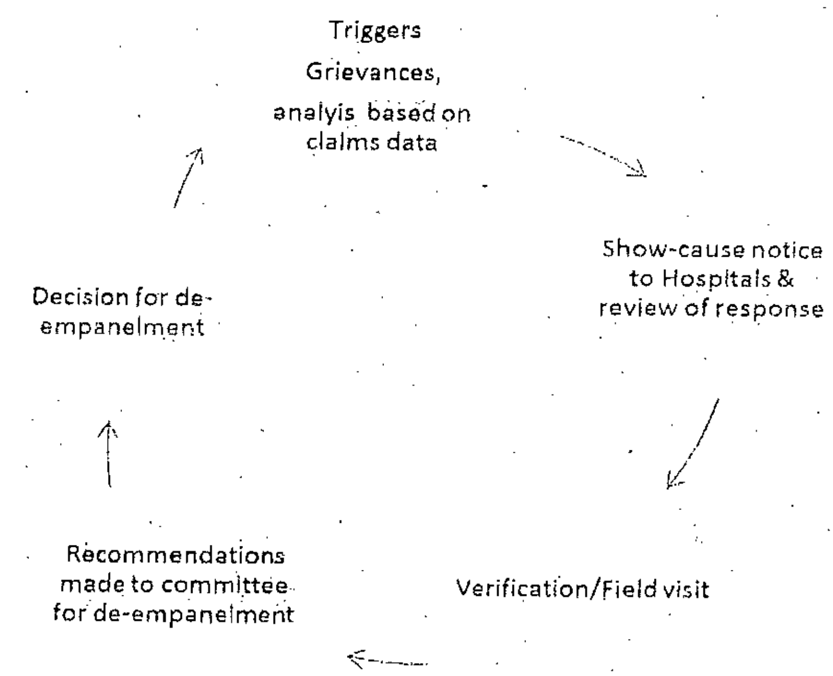

7.7 Post De-empanelment Phase

Once de-empanelled, the Hospital cannot seek for re-empanelment until completion of 1 year from the date of such de-empanelment.

7.8 Appellate Authority

The hospital can approach the Principal Secretary, Department of Health and Family Welfare, if they are not agreeable with the decision of the EDC. The Principal Secretary, Department of Health and Family Welfare, will take a final view of the receipt of representation. However, the hospital will continue to be de-empanelled until the time a final view is taken by the Principal Secretary.

Fig 2 : Process flow of the review by EDC

* Note that the entire process should be completed within 30 days from the data of suspension.

** Penalties will be fixed by the Empanelment & Disciplinary Committee which shall be issued from time to time
